MOTION FOR EXTENSION OF TIME

* * * * *

Comes Nolin Rural Electric Cooperative Corporation, by counsel, and moves the Commission for an extension of time until April 7, 2008 to respond to the First Data Request which was sent to Nolin and was received on March 17, 2008. Nolin was only given ten (10) days to respond to the request and since it did not receive the request until three (3) days after it was sent, that only leaves four (4) business days to work on their response. The request sets forth

sixteen (16) different items which Nolin will need to respond to and it simply cannot put together that response within four (4) business days.

For the reasons stated above, Nolin Rural Electric Cooperative Corporation respectfully requests an extension until April 7, 2008 in which to respond to the First Data Request.

Respectfully submitted this 20th day of March, 2008.
